EDMONTON, ALBERTA, THURSDAY, JULY 23, 1953

INDUSTRIOUS PADDLE VALLEY FARMER IS C.C.F. CANDIDATE

By L. W. NEWCOMB

John Liss came from Poland with his family to Ohio about the turn of the century. In 1911, while attending the Canadian National Exhibition at Toronto, he heard about Alberta for the first time, and the government gave him a picture of the "Last Best West" with its free land, its stimulating climate where the air was dry and you didn't feel the cold, etc.

Mr. Liss came, saw and was conquered. He travelled over Alberta from Calgary to Peace River, but used his "homestead rights" in the Paddle River Valley about five miles N.W. of Sangudo and his homestead has been his home ever since. When he returned from overseas duty, where he attained the rank of Sergeant Major in the first war, he increased his holdings by the Soldier's Grant and a further loan and now farms five quarters.

Marrying Miss Mary Fridel of Maryland in 1922, Mr. and Mrs. Liss have worked and struggled together during the long hard years so common to settlers, who, burdened with debt, with crop failure due to frost, etc. with leached soil due to erosion, and low prices for their products in the depression days, they have come at last to the success so justly deserved. They have almost all types of crops on their farm, each requiring different treatment, but with scientific test methods each kind has made a useful contribution to the home economy. Alfalfa and Alsike grown for seed or feed enter into this farm's rotation system, a line herd of Herford cattle, and from 125 to 145 pure-bred Yorkshire hogs give the rough outline for successful farming in the Valley.

It is not in material success only that abundant living is found. Throughout the years Mr. and Mrs. Liss have looked beyond to wider fields of service to the community and nation. Mr. Liss was instrumental in organizing the Pembina Valley Seed Growers Association now a part of the Alberta Seed Growers Association. He was first President of the Constituents' U.F.A. Co-operative, and is still a delegate to the U.F.A., a member of the Popular School Board, and of the Sangudo Board of Trade, a leading builder of the Rural Electrification (continued on page 12).

Celebrate 25th Wedding Anniversary

ST. ALBERT. On Friday, July 17, the friends and relatives of Mr. and Mrs. Alice Deinet celebrated the silver anniversary of this well-known couple. A reception from 7 p.m. to 10 p.m. was held at the Deinet home.

That same evening a dance was held in their honor at the St. Albert Community Hall. At the midnight hour, Mr. Ed Saville acted as master of ceremonies. Mr. Geo. Southard spoke on the high esteem in which Mr. and Mrs. Deinet are held as neighbors and community workers.

Little Linda Odette presented a bouquet of roses to her aunt, Mr. Johnny Martell presented a chest of silver to the honored couple. The head table was tastefully decorated, crowned by the three-tiered wedding cake, which was decorated with silver leaves and gold silver ornaments.

JOHN LISS

Paradis R.C.S.S. Division No. 33 To Be Included In Sturgeon School Division

MORINVILLE.—At the meeting of the Divisional Board of the Sturgeon School Division, held on July 16th, an agreement was signed by the Sturgeon School Division Board and the Board of Trustees of Paradis R.C.S.S. Division No. 33.

The regular monthly meeting of the Divisional Board was held on Thursday, July 16 at the Divisional Office in Morinville. All trustees were present except Mr. L. Messier, Superintendent Scott and Secretary Meaden were present.

A delegation from Gibbons' Mrs. Hancock, Messrs. Austin, Hall, Hood and McEwen called to interview the board with respect to high school instruction in the Gibbons School. The divisional board in order to relieve congestion in the elementary grades had planned to convey the high school students, grades eleven and twelve from Gibbons to Bon Accord. This plan was not favored by the parents and other interested parties in Gibbons. Each member of the delegation expressed his or her views and the chairman of the divisional board assured them that this question would be carefully reviewed before any definite steps were taken.

A delegation from Paradis met with the board to discuss inclusion of their district in the school division, and to plan a bus route. The plan favored was to move the present Paradis School to the site of the Saskatchewan School at Lamoureux.

The building program took another step forward. Contract for the Alameda School addition was awarded to Napoleon Belley of Legal, as his was the lowest bid on the general contract.

The contract for the heating installation was awarded to Keesler's Sheet Metal of Edmonton. An automatic sticker with blower was installed.

On the motion of Mr. Veness, the accounts as listed by the Secretary-Treasurer were ordered paid.

A delegation from Legal called to interview the board to register a strong protest of the action of the local board of Legal trustees in forcing the resignation of the principal, St. Lapointe.

On the motion of Mr. McCue, the application of Loree Longue to operate a bus to the Belmont

Garden Club Competition To Be Held

ST. ALBERT.—The Garden competition will again be held in St. Albert and district, about Aug. 7. Three classes are open for judging: small home gardens, farm gardens and home landscaped grounds.

You may enter this contest by giving your name to your Women's Institute neighbor.

Shower Held For Simone Borle

ST. ALBERT.—A miscellaneous shower, with approximately 80 women present, was given in honor of Simone Borle at the Glangary school. The hostesses were Melba Borle and Thelma Hodder.

Attending the bride-to-be were Evelyn Sheehan and Melba Borle. Simone is the youngest daughter of Mr. and Mrs. Prudent Borle of Trade of Mr. Pat Sheehan of Riverview. The bride will be married to Que Barre on July 31 at Villeneuve Church.

Paradis R.C.S.S. Division No. 33 To Be Included In Sturgeon School Division

MORINVILLE.—At the meeting of the Divisional Board of the Sturgeon School Division, held on July 16th, an agreement was signed by the Sturgeon School Division Board and the Board of Trustees of Paradis R.C.S.S. Division No. 33.

The regular monthly meeting of the Divisional Board was held on Thursday, July 16 at the Divisional Office in Morinville. All trustees were present except Mr. L. Messier, Superintendent Scott and Secretary Meaden were present.

A delegation from Gibbons' Mrs. Hancock, Messrs. Austin, Hall, Hood and McEwen called to interview the board with respect to high school instruction in the Gibbons School. The divisional board in order to relieve congestion in the elementary grades had planned to convey the high school students, grades eleven and twelve from Gibbons to Bon Accord. This plan was not favored by the parents and other interested parties in Gibbons. Each member of the delegation expressed his or her views and the chairman of the divisional board assured them that this question would be carefully reviewed before any definite steps were taken.

Grain Company Holds Picnic

ST. ALBERT. On Sunday, July 19, the agents of the Alberta Pacific Grain Co. and their families held a picnic at Bon Accord. The picnic was as far north-east as Bonnyville and as far north as Barrhead and Collinton, met at Gibbons for a picnic. The rain did not deter the festivities as everyone just moved into the Community Hall. There a long table was set up, and an excellent picnic dinner was enjoyed. Bingo was played and novelties provided by the company were given as prizes. Children's races and games for the parents followed this.

Finally, there was more coffee and lunch and a film was shown in the hall.

Those attending from St. Albert were Mr. and Mrs. Don England and Mr. and Mrs. Bert Simmer and family.

Ladies' Fastball Tourney

ST. LEON.—The ladies' fastball tourney originally scheduled for July 19 was rained out after the first game had been played. The program will continue as scheduled on Sunday, July 26, meeting at 11:30 a.m.

All teams are requested to be on the grounds in ample time so each game will start at the scheduled time. This is necessary as there are six games to be played in order to determine the three top winners.

Namus won their first game against Morinville and will not be expected to play over.

RATEPAYERS PROTEST SITE OF PROPOSED DRIVE-IN THEATRE

EDMONTON.—At the last meeting of the Council of the Municipal District of Sturgeon, held in the council chambers on July 9th, with all members present, a petition was received from a committee of three. The petition contained the names of 33 persons opposing the new Drive-In Theatre planned for Belmont Heights area.

The delegation was informed that By-Law No. 495 had not yet been approved by the Minister, and that before the by-law was approved, notice of such proposed by-law would be advertised in the Edmonton Sun and that any ratepayer objecting to the passing of the by-law would be heard by the Council sitting in session on Thursday, Sept. 16, 1953, at the hour of 5:00 p.m.

Details of this and other business transacted by the council at this meeting of the council will be found in the extracts of the minutes which follow.

Reeve Rowanwell called the meeting to order and the minutes of the previous meeting were adopted on the motion of Coun. Hymenich. A monthly financial statement and statement of public works submitted to the Council were adopted on the motion of Councillor Holmes and filed.

Court of Revision
Moved by Coun. M. Hymenich that the Council sit at a Court of Revision.

St. Albert Requests Re-Zoning No. 2 Highway

At the July meeting of the Edmonton District Planning Commission the annual report, covering the work accomplished during the fiscal year 1952-53, was approved and authorization given for the printing of the report with a supplement containing a digest of the addresses given at the Planning Conference held last Fall. These reports will be distributed to the Councils of member municipalities, and other interested authorities.

A request was received from the town of St. Albert for the re-zoning of the land adjoining that part of No. 2 Highway north between Edmonton city limits and the town limits of St. Albert. Reasons for this request being as follows:

This portion of the highway, which is not wide, is called upon to carry increasingly heavy traffic and being winding does not afford very good visibility. There is a definite tendency towards residential development which is undesirable because of the danger to children through traffic hazards. The town of St. Albert is investing a considerable sum in the development of utilities in order to provide some facilities for its inhabitants, and if residential development, Edmonton Exhibition, it one day at St. Albert as guest of will be detrimental to the town's tax base.

The town authorities felt that while there are provincial regulations which can regulate access to the highway and impose setbacks, development could be better controlled by zoning the land adjoining the highway to "B" Zone Greenbelt. The Commission asked the director to invite representatives from the two interested municipalities, namely, the Town of St. Albert and the Municipal District of Morinville, to meet with members of the Commission staff to discuss the problem and submit a report to the Commission.

Revision on assessment appeals, Thursday, August 12, at 2 p.m.

Bon Accord Hotel
Application for building permit was tabled until next meeting for further investigation.

Drive-In Theatre
Application from Messrs. Ewanco, Hoffman and Slesko for a drive-in theatre on part S.E. 28-33-24-4 in Belton Gardens at a cost of \$100,000.00 was tabled until Sept. 15.

By-Law No. 495
Zoning from small farm to heavy industry has now been approved by Minister of Municipal Affairs. This by-law was in effect as by-law had been given third reading.

By-Law No. 195
Amending by-law zoning small (continued on page 2)

St. Albert News Briefs

Born to Mr. and Mrs. Leo Donazloch, a boy, on July 14, Conradiations.

Joe McDonald, Kazia Martine and Josephine Mitykly attended the 4-H rally day at the Edmonton Exhibition. They were under the leadership of Mrs. Angus MacDougall.

The interior of the Brulin Inn has been re-decorated. Miss Kay Norris is holidaying at her home in Cowsay.

Mr. and Mrs. Adelphi Moninger and daughter Jean recently motored to California and will be away a month or so. Mrs. Betty Donazloch and children are vacationing at their cottage at Alberta Beach.

The front of Gaulin's garage has been re-painted and beautifully sign lettered.

Constable Riley has a new greenish-blue Ford. Mr. and Mrs. Roger Pinco are busy building a new home.

Mr. Romi Lafrenche will again drive the bus to the annual pilgrimage at Lac Ste. Anne on July 29 and 30.

The Old Timers' Association won the first three prizes in the historical section of the Edmonton Exhibition parade. Many of our local citizens appeared on these floats.

The new trailer camp on the acres owned by Mr. Romi Lafrenche has now opened.

Mr. Wilmet McInnes, president of the Canadian Red Poll Association, from Brandon, Manitoba, judged the Red Poll cattle at the Edmonton Exhibition. He spent one day at St. Albert as guest of Mr. Bert Samur.

S.D. Secretary Leaves On Holidays

MORINVILLE.—The secretary of the Sturgeon School Division, Mr. Ernest Meaden, will have on three weeks' holidays to the extent to visit his married daughter who lives in West Vancouver, also his married son who resides in Vancouver.

Mr. Meaden will be away from his office from July 20 to Aug. 10. In his absence the office will be in charge of his very capable assistant, Mrs. Helen L. Rossman.

farm area to commercial for the purpose of a proposed drive-in theatre in Belmont Heights subdivision. Petition received containing 33 names and presented by a committee of three, opposing drive-in theatre. Delegation was informed that By-law No. 485 had not yet been approved by the Minister, and that before by-law was approved notice of such proposed by-law would be advertised in the Edmonton Sun and that any payer objecting to the passing of the by-law would be heard by the Council sitting in session on Thursday, September 10, 1953, at the hour of 5 p.m.

Have of Best

Inspection report by Reeve and Secretary received by Council and recommendations were made for certain improvements to be sent to The Old Peoples Home.

Dept. of Cattle Health

Letter from Director of Hospital and Medical Services with a suggested ruling as to residency at Namsio Airport and Griesbach Barracks. Noted and filed.

Underwood, McLehlan & Associates

Application for consent of Council re proposed power line to supply depot from Highway No. 28. On the motion of Reeve Howsall consent was granted to place power pole five feet west of east boundary of road allowance.

Underwood, McLehlan & Associates

Application for consent of Council for paving road allowance from Highway 28 east one mile, and widening road allowance and graveling to explosive depot. Consent granted on motion of Coun. Hrynchak.

Bridge Dept.

Authorizing 72" pipe by 42 ft. to be installed on S.E. 29-59-22, and straighten channel to fit new site. Turned over to Coun. Hrynchak for attention.

Dept. of Agriculture

Letter re Prairie Farm Ass'n. and Act, tabled to 15th Sept.

General Assessment

Letter suggesting that general assessment be made. Matter to be given further consideration by Council at next meeting.

Surveys

Mr. Doan reported on removal of iron pipe after being installed. Coun. Carleton stated pipe were still there, but that wood stakes from centre of road had been moved when road work was being done in that location.

Namsio Airport

Letter from finance department

of the Federal Government stating that a grant will be made to this district, on Federal Lands in the Namsio Airport and Griesbach Barracks, providing the Municipality does not assess the licensee under the Lease and License Agreements being issued in 1953. It was pointed out by the Secretary to the Council that the Lease and License Agreement must contain a clause whereby the Licensee is subject to municipal taxes, but the rules and regulations of the Order in Council also states grants will not be paid on lands leased by the Federal Government for agricultural purposes. On the motion of Coun. Holmes the Secretary was instructed to notify the finance dept. of the Federal Government that the Municipality would not tax the lease lands on the airport for 1953, providing a grant was paid to the Municipality.

Tumble Bug

Letter from Mr. H. Speers relative to use of Tumble Bug and the matter was left to Coun. Carleton.

Road Damage

Road between sections 3-19 in 23-22-4. Regarding damage to this road, the Pacific Petroleum is now prepared to repair this road.

Co-Terminal Boundaries For Schools

Policy of Commission as soon as a plan for an area has been formulated to present same in person to either combined or separate meetings of the School Trustees and Municipal Councilors, with a view of explaining the practicability of such a plan and of securing the opinions of the local school and Municipal authorities. It is estimated it will be the latter part of this year before such a meeting will be held.

Continental Lumber Co.

Secretary submitted prices for bridge material as requested. Noted by Council and tabled.

Dept. of Municipal Affairs

Letter regarding complaint as to condition of street on 12th Street north of 127 Avenue. Secretary instructed to reply that the road in question is only a 32 ft. street, and is at present being re-surfaced for property lanes before grading can be done.

Edmonton District Planning Commission

Proposed subdivision by transfer of two acres on part S.E. 22-52-24-4. Secretary instructed to reply that Council is not agreeable to separation of the two acres in question, owner of property built a second house in 1952 without first obtaining a building permit, and two dwelling houses on one parcel is contrary to the Building

and Zoning By-law for small parcels.

Cancellations

Secretary reported Tax Consolidation Agreement now completed on S.W. 25-59-24-4 and under TCA balance of taxes composed of penalties, etc. added are automatically cancelled on completion of agreement. The Secretary was authorized to cancel same on motion of Coun. Carleton.

Farm Approach

Request from Mr. Manulik for second approach to his farm, who would be willing to contribute \$20 towards same. Secretary instructed to inform Mr. Manulik that the Municipality gave him one approach and if he graded his land up in the low spot, he would have no difficulty in wet weather. He can get another approach but upon payment of the full cost.

E. Hassdyk

Requesting consultation by Council to grant permit for changing garage into dwelling house. Secretary instructed to inform Mr. Hassdyk that two dwelling houses not permitted on small farm area, but if he acquires another parcel of land without any buildings on same, permit will be granted to move the garage as a

Can Earn Money And Still Get Baby Bonus

EDMONTON (BUP)—A child, whose family is claiming family allowance benefits on his behalf, may now work for wages providing he attends school regularly. H. C. L. Gillman, regional director of the Department of Health and Welfare says. He was announcing changes in regulations governing the distribution of family allowances in Alberta.

Another regulation states that a person moving to a new address, must notify the office within 90 days, or forfeit the allowance for this period. Should the department be notified of the change in address after 90 days have elapsed, the payments will start the month after the notification.

During June, 149,117 families received allowances on behalf of \$26,225 children.

Accounts and payrolls submitted for payment were passed and ordered paid.

Meeting adjourned to meet again on Thursday, August 13.

Pearson says U.N. Assembly will renew peace bid.

Lions Club Spend Active Summer

MORINVILLE. Another picnic for the Lions Club of Morinville is planned for July 26th. This picnic, however, will be for the Lion members and their families only, and will be held at Sandy Lake.

Following the picnic, the next big item on the Lion agenda is the rodeo at Sandy Lake, ending on a hand for Mr. Bryan Howell, and also sponsoring one of the concession booths.

August 13th has been set as the tentative date for the Clyde Charter night, and on August 27th will be a general meeting at which time it is expected the big surprise will be the big surprise.

prise of the chairman of the program committee will be made known.

Alcomdale News Briefs

The Alcomdale annual picnic was held July 8. Favorable weather brought a good crowd to the supper as well as to the dance.

Mr. and Mrs. Thomas Spargo have returned from a holiday at Banff.

Mr. Will Arlow and daughters Mary and Nora, spent the week end at the Calgary Stampede.

Spending a month with Mr. and Mrs. J. L. Mitchell are four of their grandsons, Stephen, Robert,

Christopher and Rodney, sons of Mr. and Mrs. Bert Mitchell, Medicine Hat, B.C.

Miss Dorothy Ellett is spending her holidays at the home of her parents, Mr. and Mrs. Edgar Ellett.

Mrs. Leonard Whitson is in hospital undergoing an operation.

Visiting Mr. and Mrs. T. J. Harrington were Mr. and Mrs. Herb Dressler, Lake Lenore, Sask.

Mr. and Mrs. J. Kluthe accompanied by Mr. and Mrs. August Kluthe, motored to Vancouver, B.C., for a two-week holiday.

Mr. Harry Rye returned from hospital after suffering from pneumonia.

Mr. and Mrs. Lloyd Dehnke are

Blood Sweating Hippo Featured With Wallace & Clark

Realizing that many of the towns visited by the Wallace & Clark Wild Animal Circus are far removed from the zoos of the larger cities, the management of this circus has endeavored this season to bring as many strange and wild animals as possible to these towns, and when Wallace & Clark Circus exhibits in Morinville afternoon and night on Thursday, Aug. 27, a veritable traveling zoo will be on exhibition, a feature of which will be the largest hippopotamus ever imported to these shores.

The circus program of the Wallace & Clark Circus features many acts on their first Canadian tour, and the people of Morinville will have a treat in store on circus day.

Congratulations go to Mrs. Pasmore, who celebrated her 79th birthday July 19. The occasion was marked by a dinner party for the family.

Vote for Your Progressive Conservative Candidate:

HARRY FOWLER, Edmonton West

The Liberals say

they can't cut your taxes!

WE CAN...

WE WILL!

the Main Issue
in this election is
YOUR MONEY!

We will budget for Government's legitimate needs... we will stop budgeting for bloated surpluses which—in three years—took from the people's pockets the staggering sum of \$1,618,000,000 more than the Government needed.

We will, without impairing the efficiency of our Armed Forces, correct the appalling inefficiencies in the administration of the Department of National Defence.

We will end the shocking conditions in our Defence Department which the Government's own investigator, (Col. G. S. Currie) described as: "A general breakdown in the system of administration, supervision and accounting... Accounting records in a chaotic condition and of little use in determining the nature and extent of irregularities... Waste and inefficiency far more costly in loss than that covered by actual dishonesty".

We will provide the nation with an administration whose attitude towards the spending of public monies will be one of prudence and common sense. A new Government in itself will mean substantial savings to the taxpayer—it will replace a Government whose arrogant indifference to economy was best expressed by Mr. Howe's scornful remark, "What's a Million?". Or, "If they need a gold-plated piano it is our duty to buy it".

We will reduce or eliminate countless hidden, indirect taxes which grossly inflate the cost of consumer goods, add to the grievous cost of living, increase the price of homes beyond the capacity of most of our people to pay, discourage saving and initiative.

VOTE

We will reduce federal taxes by at least \$500,000,000 a year... without reducing any pensions, family allowances, or other social security payments.

**\$500,000,000
TAX CUT
NOW!**

VOTE X

The Reluctant German

Whatever the reason, the people of West Germany, though fearing Soviet Russia, are hesitant about doing anything to assist in the defense of Europe against a possible onslaught of Red forces from behind the Iron Curtain.

Why should there be this change in German attitude? Has there been a real and radical change of heart—does the German now feel that, after all, war is wrong and regardless of possible outcome he'll never go to war anymore? Or is it just that he's had a too-recent belly-full of bloodshed and hasn't had time to digest his gorings and hence hasn't yet developed a taste for more battles?

One thing is certain, The West will be hard to defend against a Russian invasion without the active support of West Germany. And that will be next to impossible unless the German people plunge into the business of building a defense force, right away, that will help to discourage Russia from contemplating war in Europe.

Alberta's New Decision

The Alberta Government recently turned down an application by the Federation of Agriculture to have marketing boards set up in the province. Their official statement is as follows:

"The legislature majority feels that every farmer should have the right to market his own production in any manner he chooses and that no farmer should be compelled to market his production in a manner that might be agreeable to the majority of his fellow farmers but not acceptable to him.

For legislature arbitrarily to interfere with a farmer's right to market his own production as he sees fit, even if the particular method of marketing adopted is acceptable to a majority, seems to us to be incompatible with the established and recognized position that no one has a right to tell a man how and where he can dispose of his own property."

In view of this most important statement by the Alberta Government it now remains to be seen how far the Alberta Government will re-examine their present support of compulsory wheat and coarse grains marketing which most certainly does compel thousands of farmers to market their wheat, oats and barley in a manner that might be agreeable to the majority but which is not acceptable to them.

Hollywood Coming To Alberta

Due largely to the impact of Television the Hollywood Picture business has been in the doldrums during the past year or two. But the increasing interest in 3 Dimension is giving new hope.

Also because of the grandeur of our Canadian mountain scenery, with its vast vistas, and of the big industrial developments in Canada, which lends itself so happily to the making of this type of films, as well as the chance of by-passing some of the income tax handicap these big movie producers are turning to Canada for the scenes of their pictures.

All across Canada from Newfoundland to Kitimat, B.C., using the Atomic Power Development, Iron Ore, Uranium, Calgary Stampede, the Mounted Police and the Banff National Ride, the Banff and Jasper Park highway, exciting shorts and some full length pictures of adventure struggle and achievement are to be filmed. Big producers and noted actors like James Stewart and Alan Ladd will be working in Alberta in the next few months.

The film industry has been hard-pressed to meet the changing conditions of recent years. With more people finding diversion in Television and motoring the movie magnates have had to struggle to keep out of the red. Maybe more refreshing outdoor Canadian scenes will be good for business.

Bible Today

For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

Side-Shows In Politics

(Calgary Albertan)

During the 1949 federal election campaign Mr. George Drew, the Conservative leader, tried to establish that there was something of a scandal in the government's dealings with an aircraft factory. Because nothing had been heard of it prior to the campaign, the voters assumed that Mr. Drew had manufactured the case for political purposes, and their respect for him was not enhanced.

The other day Mr. Drew alleged there were communists in responsible positions in the employment of the federal government. Apparently he is trying to emulate the successful tactics of Senator McCarthy of the United States, and more will be heard along this line.

Prime Minister St. Laurent has denied any knowledge of such a situation and challenges Mr. Drew to bring out his proof.

The Conservative leader should appreciate that most Canadians have a somewhat different political sense than what Senator McCarthy appeals to.

The attitude of most Canadians, we are very sure, is that if Mr. Drew has evidence of any such employment of communists, it was his duty to disclose it to Parliament, which was in session not many weeks ago. That's what Parliament is for. Mr. Drew is leader of the Opposition, and he's paid by the Canadian taxpayers to oppose the government on the floor of Parliament, to make his accusations there and produce his evidence there. If he possesses information important enough to be made an election issue, he was negligent in his official duty in hiding it from Parliament.

Whether there are any communists in the government service we don't know. Mr. Drew could be right. But we do know that his timing and his method of raising the issue almost force the average voter to conclude that this, too is nothing but a political stunt and that its author cannot be taken seriously.

Can Canada afford a prime minister who is not to be taken seriously?

No Fighting Issue

The current Federal election campaign is one wherein the opposition forces have no real plan or platform to offer as a substitute for the Liberal administration of the past 18 years. Political observers in Canada and in foreign countries agree that there is no better governed land than Canada.

Mr. Drew is like the proverbial drowning man clutching at straws. Four years ago he carried on a lusty campaign against the type of engine being used in TCA planes. This time he has a grandiose scheme to increase government expenditures by one billion or more a year and still reduce taxes by half a billion.

Clearly, such ridiculous propositions show that there is no real issue being fought in this campaign.

Crop Scares

We are now in the period of crop scares. We are hearing the following predictions: We've had too much rain, so much land is flooded. Farmers, therefore, have abandoned a lot of acreage. Grasshoppers will take a lot of the crop. Wireworms and cutworms are damaging the crop. Hail will be worse than usual. The crop is late, so the frost will surely get it. The 15-D rust will damage what is left. Even if we harvest a good crop we shall never be able to sell it. And so it goes, with these direful predictions during the course of almost every crop in the making. Some years, of course, the crop is actually good, and in other years in spite of all these hazards a good crop is produced. Somehow or another, however, in spite of it all a fair crop usually comes through, indicating the remarkable power of our grain varieties to survive in spite of all the hazards of weather, insects and plant disease. Had it not been for these remarkable powers of survival our domesticated plants, so agriculture, would long ago have disappeared from the earth.

One good forecast can usually safely be made: the crop will never be quite as good as some people think, and will never be as bad as some predict.

Voice of the People

HORSE POWER AND OLD HARNESS

Here's a problem I have not seen mentioned in your paper to date.

In rummaging around the old barn I find that harness and parts from the days of horse power farming still remain. This is a thing common all over the Prairies where mechanization has taken place. Tons and tons of harness, parts and collars are going to waste, while in places where horses are still used high prices are being paid for such articles. I just wonder if it is not possible to bridge this gap and connect the ones whose old harness is going to waste with those who may need collars, traces, harness and straps to repair and replace their stocks. If this could be done I am sure substantial savings could be effected and a lot of waste stopped. Would this be worth while? Seemingly Endless Prosperity, may not last forever you know. What do you think?

Arne Notland.

The Communist leaders seem to be getting just what they want in Korea—another chance to build themselves up. I wonder: will appeasement in Korea really save lives, or will it lead to an even greater slaughter of our boys?

WONDERING.

THE PRICE OF WHEAT

Many farmers are greatly concerned about the future price of wheat under the International Wheat Agreement. What's this talk about lower future prices for farmers? They say "when there is a definite price of \$2.05 set under the International Wheat Agreement."

The truth is that it is not at all certain that farmers will receive the \$2.05, for in spite of the present belief of many the \$2.05 is not a definite price, but is only the maximum above which price cannot go. The only price assured under the agreement to our farmers (and even this is not a positive assurance) is the minimum of \$1.55. Between the maximum of \$2.05 and the minimum of \$1.55 the price farmers will receive (basis 1 Nor. Fort William) may fluctuate, and will be in accordance with the open market price of wheat, which open market price is usually represented by the Class II price set daily by the Canadian Wheat Board.

What the actual price to farmers will be after August 1st need is quite beyond the ability of anyone to forecast or to guarantee. Winnipeg.

HEAD OFFICE - CALGARY

\$1 to Favorite RECIPE

BUTTER BUDS
 1 cup butter
 2 eggs
 2 tsp. vanilla
 1 cup brown sugar
 1/2 tsp. salt
 4 tsp. baking powder
 2 1/2 cups flour

Cream butter and add sugar. Add well-beaten eggs and vanilla. Combine sifted flour, salt and baking powder and sift gradually into the first ingredient mixture. Work well and cut with cookie cutter. Bake in moderate oven for about 15 minutes. These are really good.

One dollar check goes to Miss Joyce Montgomery of Onaway for this Favorite Recipe.

Chiang's son, in San Francisco, rules out early blockade.

LETTER TO LOUISA

Should A Hard Working, Ambitious Girl Marry A Jealous, Lazy Man?

Dear Louisa:

I am a 27-year-old farm girl. A few months ago I became engaged to a boy a few years older than me, whom I thought I loved. Now, as the time draws nearer to the date we had set for marriage, I become less certain whether I made a right choice or not.

I am ambitious type. I have been doing housework and outside chores such as driving tractor, etc. I have earned some money, which will come very handy in helping to make a home some day. My only mistake is that I have never worked anywhere but home, since having nearly completed my high school education.

My fiancé is also a farm boy, but he isn't ambitious. Just lately, I've found out that he isn't a good worker and always has to be told what to do and when to do things. If I ever look at another boy, he is very jealous of me. I am fairly quiet myself but I don't need anyone to order me around.

Now everything is so complicated I just don't know what to do. Louisa, please give me some advice. I realize I am not so young. Should I marry this boy or shall I still look around?

WORRIED

Dear Worried: Not all successful marriages are made by people who are identical in their ambitions and personality make-up. Many are complementary to each other. That is, the ambitious man or woman, used to doing ahead and doing things on his or her own, will get along quite well with a docile mate who has to be prodded into doing everything.

At your age, you should consider if you have any real prospect of meeting up with someone about your own age who more nearly fits your ideal of a good husband. Then you should take a pencil and a piece of paper and write down on one side your fiancé's

good qualities and on another his poor qualities. If he is a good living man, sober, preferably you have a respectable home, I'd say you aren't making any mistake in marrying him. The fact that he is not as ambitious as your self and has to be told what to do is more likely a good quality for him as it balances off nicely or "complements" your own qualities of ambition and strong will.

If you feel you are no longer in love with him, that's another story. In that case you'd best ask him to postpone the wedding and meanwhile try and get away on a trip to some other part of the country. Visit friends or relatives where you can meet new friends. Add if you still love the boy when you get back home set a new date and get married quick!

LOUISA.

Canadian Highway Finished By 1960

Deputy Minister of resources and development, Maj-Gen. Hugh A. Young, who visited Calgary this week, said it is expected that the coast-to-coast Trans-Canada highway will be completed by 1960.

The highway through the prairie provinces, he said, should be ready for through traffic by 1956. The federal government will be building part of the road through the Banff National Park and it is planned to build the road from the park gates to Lake Louise in such a way that it can later be widened into a four-lane highway.

Maj-Gen. Young, who is also commissioner for the Northwest Territories and who was former general staff officer, grade two, at MD 15 in Calgary at the beginning of the last year, said that the greatest difficulties in construction were occurring in the mountainous terrain of British Columbia, in Ontario, and also in the Maritimes.

Mine Plans To Sue Union

TIMMINS, Ont. (RUP) — Brulau Reef Gold Mines has told the powerful United Steelworkers of America it would sue it for damages, including loss of profits, for shutting down its rich Porcupine goldfields with a wildcat strike.

Walter F. Brown, mine manager, said in a letter he would file the civil suit against the union. Its officers and members taking a direct part in the "illegal" strike and would ask the "illegal" damages and would ask the "illegal" damages and would ask the "illegal" damages.

Union officials said there was no precedent in the courts for a civil damage award against a union. However, an arbitration board last year ordered the United Electrical Workers to pay \$5,208 damages to Canadian General Electrical for an illegal strike. When the union refused to pay, the company collected it by withholding check-off dues paid by union members.

More than 350 gold miners struck over a wage dispute at Preston East Dome mines Monday, bringing to eight the number of mining properties shut.

The walkout swelled the number of striking miners in the Porcupine mine area here to about 725 Workers at Brulau Reef and Hallner Gold Mines met Saturday. Five properties operated by Brulau were closed and picketed.

Canadian National Using Diesels

EDMONTON — Canadian National Railway announced yesterday that it now has diesel locomotives running west from Edmonton for the first time.

\$1 for BRIGHT SAYINGS

After filling up at the Ladies' Aid tea in Amisk, Glen, our five-year-old son, finished up with an ice cream cone. On arriving at Hughenden five minutes later he remarked: "Him, funny, I just got hungry at the right time."

MRS. SVEN NELSON, Hughenden.

Police Bullets Halt Suspects

EDMONTON (RUP) — Two men arrested shortly after a break-in early Wednesday were remanded until July 23 when they appeared in police court on charges of breaking and entering. The pair, Joseph Dencer and Nick Gordonchuk, were arrested by two prowler car constables after a warning shot had been fired at them.

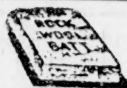

Police said the pair had broken into the Midwest Paper Company. Gordchuk was captured by constable Robert Robertson and Dencer was found in his parked car by Constable John Tilson.

The officer, police said, several hundred dollars. J. H. Mills, manager, said although the amount of stolen cash is not definitely known, two cheques, totalling about \$275, are missing.

HERE'S HEALTH

Treating yourself for illness may lay you to rest some future day. The pills you pick might prove a mistake. And one is all one needs to make.

Dept. of National Health and Welfare

Heaht Unit Notes

EYE STRAIN

Our eyes have developed to see best outdoors in good daylight. The diffuse sunlight then about us does not injure the eyes and close work can be done without eye strain. However, modern conditions require us to work often in poor daylight and at least part of every day under artificial light. Since the light under these conditions is often unsatisfactory it is not surprising that so many persons complain of eye strain. The commonest cause of this eye strain, as you may suspect, is prolonged use of the eyes for close work under poor light. Under such conditions it is not the nerves of the eyes which play out but the muscles which move the eyes and change the focus of the lens and the size of the pupil. All these muscles become fatigued while trying to keep the eyes adjusted for good vision under poor lighting conditions.

Artificial light, if properly shaded to prevent glare, will not harm the eyes. Fluorescent light is the best type, but adequate light can be obtained from ordinary frosted electric light bulbs or from incandescent lamps, provided the light fixtures are numerous enough and properly situated. The amount of light actually reflected on the work should equal at least 25 candle power. Some tasks may require up to 100 candle power. If a light meter is not available, the necessary amount of light can be judged by the ability to see the work comfortably without apparent strain. Even with light of 25 to 30 candle power on the work or work, eye strain will develop if the background is too dark. The marked contrast between the bright light on the work and the dark background is annoying and fatiguing to the eye muscles. This is partly due to the constant changes made necessary in the size of the pupil to compensate for the greatly varying amounts of light which enter the eyes as the gaze alternates between the light on the work and the much darker surroundings. To avoid such unhappy contrasts the background should be illuminated uniformly with non-glare light of less intensity than that on the work, but bright enough to prevent sharp contrasts. This background illumination can be obtained by combining sufficient natural or artificial light sources with suitable reflecting surfaces on ceilings, walls, furniture and floors.

This can be obtained by having the ceilings dull white or some off-shade of white; the walls light shades of ivory, buff, blue or green. Windows are best situated so that the main light enters from one side, other windows should be screened to prevent confusing glare lighting. When natural light is used extensively there will be areas far from the windows where

Grain Marketing Increase Is Shown For Alberta

EDMONTON — A summary of general statistics issued by the department of industries and labor last week showed a slight increase in grain marketings for the 1952-53 crop year.

Alberta farmers marketed 188,326,000 bushels of grain during the first 10 months of the crop year which ends July 31, the report said. Marketing during the corresponding period of the 1951-52 crop year totalled 181,497,000 bushels. Wheat marketings for the 10 months dropped from 110,997,000 to 107,790,000 bushels, but marketings of other grains—oats, barley, rye and flaxseed—increased from 70,505,000 to 80,536,000 bushels.

Livestock marketings during the first four months of 1953 were considerably higher than during the corresponding period in 1952 due to the lifting of international and interprovincial embargoes which followed eradication of foot-and-mouth disease.

Crude-oil production during the four month period increased 36 per cent over the corresponding period of 1952 and the value of crude sold increased 29 per cent. Natural gas production jumped 13 per cent.

Coal production continued to drop in the early part of 1953. Production was down 25.5 per cent and the value of the coal sold dropped 29 per cent in comparison with 1952.

Gross sales of new motor vehicles increased from 13,368 to 16,812 and the value of motor vehicles sold increased 15 per cent.

A total of 3,457 building permits were issued in Alberta during the first four months this year with a total value of \$32,357,230, compared with work valued at \$17,416,068 during the first four months of 1952.

Traffic Deaths Increase 49 Per Cent

EDMONTON — A 49 per cent increase in traffic accidents and a jump of 49 per cent in the death rate for the first six months of 1953 was reported Wednesday by the Alberta Safety Council.

By the end of June, 82 persons had been killed in 7,807 accidents. Noting that 18 fatalities occurred on country roads in June while there were none in the cities, the council issued warning precautions to travellers taking rural routes.

Canada Has World's Best Money

EDMONTON — "Canada has the world's best money," said H. H. George Prudham, federal minister of mines, in a public meeting recently.

Mr. Prudham, seeking re-election in the Edmonton West riding, told the meeting that a good government has helped to build up international confidence in Canada and has raised the Canadian dollar to its premier position as the world's "best money."

The light will have to be supplemented by suitable arrangement of artificial light fixtures. Such good lighting arrangements are becoming more common in newer buildings and homes. In older buildings insufficient thought was given to lighting problems and it was not realized that eye strain comes most commonly from poor light. Even in those older buildings suitable lighting can be obtained by improving existing arrangements. It is false economy to try to save on daylight, electricity or kerosene.

TEETH

A word to teenagers about teeth. Tooth decay is often most active during the teens; the damage can be lessened by regular brushing morning and night, and don't eat too many sugary things. To be on the safe side you should have regular dental checkups.

Indian Chief Applies Her "Warpaint"

LIPSTICK IS THE ONLY "warpaint" worn by Mrs. Arella Laver, first woman Indian chief in Canada. She wears it on her all ceremonial headbands. The Chipewyan chief lives on the Indian reservation at Muncey, Ont., where she is assisted in handling the affairs of her people by a council composed of both men and women.

Alberta Farmer Develops New Wheat Strain; 92-day Growth

EDMONTON, Alta. — (BUP) — Canada's agricultural frontier soon may be pushed farther north because of the research done by an Alberta farmer.

165 Alberta Scouts Going To Ottawa

An estimated 4,000 Boy Scouts, 165 of them from Alberta, will take part in the Canadian Jamboree at Comnaught Ranges, near Ottawa, July 18 to 26.

Provincial leader F. R. Fry, Calgary, with executive officer Paul Krueger, of Edmonton, will head the five Alberta troops.

Father Lesakivi of Melman is leader of the northern Alberta troops. M. Macintyre of Drumheller, the Central Alberta. William Jewkes the Calgary. Charlie Crowhurst the southern Alberta and Dr. D. B. Robinson the Edmonton troop.

The Alberta troops will meet in Calgary July 13 for a 24-hour pre-camp session when they will practise the burning of charcoal to be used at the jamboree, as well as the erection of the 24-foot signalling tower which will represent Alberta in the provincial displays.

The Alberta unit will leave Calgary by special train July 16 and will return July 20. Highlights of the jamboree include archery demonstrations, master-at-arms tournament, RCAF and army displays of planes and jeeps, and a tour of Ottawa city.

Girls Seeks Father Working in Alberta

A daughter of American-born Hubert Byron Brown, whom she has not seen since she was a small child, has asked the Salvation Army for assistance in locating her father.

The young lady said she has reason to believe her father may be working on an Alberta farm. Brown is described as follows:

Hayes Re-elected Livestock Co-op Head

EDMONTON — C. P. Hayes of Strone was re-elected president of the Alberta Livestock Co-operative at a board meeting following the two-day annual meeting.

Other officers elected were: first vice-president J. T. Holland, Fleet, and second vice-president, R. H. Carlyle, Blackfalds.

The co-operative passed a resolution asking the provincial government to set up legislation making way for the establishment of marketing boards.

Tractor Claims Another Victim

WAINWRIGHT, ALA. (BUP) — A recent immigrant from Germany, Helmut Erdirk, was killed when he was driving overboard to a ditch.

Erdirk, an employee of Ralph King of Fabry, was trapped under the tractor. The accident occurred a few miles north of Fabry, and was seen by a neighbor, J. Taylor, who notified RCMP.

Did Work All Right

"That new saw I bought is worthless," he stormed. "Why, I wouldn't set up for a better."

His small son, Tommy, looked up in surprise. "Oh yes, it would do," he exclaimed eagerly. "Why, Ted and I sawed a whole brick in two with it this morning in no time."

H. J. Marshall, B.Sc., Assistant Director, Live Sciences Farm Service, Winnipeg, Manitoba.

Sponsored by the following companies: Federal Alberta Pacific Power, Canadian Seedling, Peterson, McCune, Parrott & Macbratner, Inter-Orient, Independent News, and the National Book Co., Ltd.

SUMMER FIELD DAYS AND FAIRS

The season of agricultural Field Days and Fairs is with us again. These summer events provide an opportunity for farmers to secure the latest news and best information available on new farm practices, new crop varieties, and new methods of controlling weeds, plant diseases and insect pests.

Field Days. During the next few months a number of Field Days on special farm topics will be held at the various Experimental Farms and Illustrative Stations throughout the Prairie Provinces. Short Courses and Field Days will also be conducted at the provincial Schools of Agriculture. In addition, the provincial Departments of Agriculture will hold numerous Field Days and Demonstrations. The common aim of all these events is, through field trips and demonstrations, to promote new, sound farm practices leading toward the solution of major crop production problems. Tremendous developments and advances in agriculture are now taking place. Consequently, farmers should make every effort, sometime during the summer months, to visit their nearest Experimental Farm, Illustration Station, or provincial Agricultural School, or to attend an Agricultural Field Day.

Country Fairs. There is the Agricultural Fair. A day at the Fair can, of course, be devoted entirely to entertainment, or it can be made extremely valuable in an educational way. True, the Grandstand, the side shows, and other amusements are a necessary part of the modern country Fair, but they are not, and should not be considered, as important as the educational features of the Fair. Be sure and visit the various displays and exhibits at your local Fair. You will find them not only attractive and interesting, but also instructive as well. And don't forget your local Fair needs and deserves your fullest support.

1 for EMBARRASSING MOMENTS

The Editor will pay \$1.00 for each published item of no less than 100 words. Items must be true, personal incidents. Address: "Embarrassing Moments," P.O. Box 4435, South Edmonton.

One day my brother was sick, so he went outside for fresh air because he said he might feel better. As in the house busy with my home work. Finally the door opened. I yelled "Well, Mike, are you feeling better?" Was I ever embarrassed when a strange man replied, "I wasn't sick in the first place."

Nestor, Alta.

Quick Canadian Quiz No. 122

1. What city is located at the junction of the Red and Assiniboine Rivers?
2. How much will Canadians put up this year for new construction, machinery and equipment, repair of existing plant and structures?
3. Do more Canadians earn their living in the factories or on the farms?
4. Which is the fourth largest province?
5. In what cities in western Canada are manufacturing wages highest?

ANSWERS: 1. Winnipeg. 2. \$746,000,000. 3. In the factories; almost half as many again as are employed in agriculture. 4. Winnipeg, Man. 5. Alberta (after Que., Ont., B.C.). 2. This year Canadians will invest \$746,000,000.

(Material supplied by the editors of Quick Canadian Facts, the handbook of facts about Canada.)

Taxpayers are warned of dividend difficulties.

Appropriate
Visitor: And what's the building over there?
A Sophomore: "Oh, that's the greenhouse."

Visitor: "I didn't know that the freshmen had a dormitory all to themselves."

A Mistake
"So Miss Goinck broke off her engagement" with that magazine editor, did she?
"Yes, she wrote him some love letters and he returned them with a rejection slip stating that while he was always pleased to see such things and they undoubtedly possessed merit, he was greatly overstocked with other contributions of a similar nature."

A Happy Day
Returning home at night from the office, the father asked his children about their behavior that day.
"Oh, we've been good," said little Nancy. "I washed the dishes."
"And I wiped them," added Peter.

"And what about you, Dicky?" the father asked, turning to the smallest member of the family.
"I picked up the pieces," he replied cheerfully.

They Run High
She: "What's harder than a diamond?"
He (absently): "Paying for it."

A Resemblance
A company of cadets was lined up on the field of inspection, and as the officer strode down the line he stopped before a young man and said:
"You remind me of General Grant."
"Really, sir," said the cadet eagerly.

"Yes," said the officer, "he didn't shave, either."

Knew Her English
During the last war an American doughboy on leave picked up a cute little madamette and took her to a Parisian cafe for dinner.
During the first course he consulted his French dictionary, and with a fine Brooklyn accent breathed, "Je cadore."

The little lady now took "Shut the door yourself—you lazy Yankee."

Terrible!
When the flood was over and Noah had freed all the animals, he returned to the ark to make sure all had left. He found two snakes in the corner, cooing.
"What's the matter?" Noah asked.
"You told us to go forth and multiply upon the earth, and we are both sisters."

Quickly Jailed After Robbery

EDMONTON (BUP) — City police arrested Roger Gauthier, 30, for the theft of more than \$2,150 from a recently-arrived immigrant.

Gauthier was living in the same rooming house as the immigrant, Adolph Linke. Tuesday Gauthier came to the house in a taxi and asked to go into Linke's room to pick up some belongings. When Linke came home he discovered that a metal box containing \$150 cash and over \$2,000 worth of antiques was missing.

Detectives, acting on information from the taxi driver, found Gauthier and another man in a downtown hotel room, as well as the metal box and some of its contents.
Gauthier pleaded guilty to the theft charge in police court, and was remanded eight days for sentence.

COUNCIL ADVANCES STURGEON S.D. FUNDS TRANSACTS OTHER BUSINESS

MORINVILLE—At the last meeting of the Council of the M.D. of Morinville, the councillors agreed to advance the Sturgeon School Division, the sum of \$25,000 on the third installment of their school requisition which becomes due September 15, 1953.

The council meeting was held in the Council Chambers on Thursday, July 11, with the following Council members present: John Schafers, Division 1; Stanley Walker, Division 2; Nick C. Perrott, Division 3; and Emmanuel Racine, Division 4.

Other business transacted by the council at this meeting with reference to the extracts of the minutes which follow:

Reeve Schafers opened the meeting at 10:30 o'clock a.m. He advised the Council that Councillor McMonie would not be present as he had gone to eastern Canada.

Adoption of Minutes—Moved by Councillor Perrott, that the minutes of the meeting held on June 11, 1953 be adopted as read and received by the Council. Carried.

Adoption of Financial Statement—Moved by Councillor Walker, that the financial statement for the period ending June 30, 1953 be adopted as given to the Council by the Secretary-Treasurer. Carried.

Presentation of Accounts—Accounts were now presented to the Council for their approval and the passing of the same for payment.

School Requisition—Moved by Councillor Perrott that we advance the Sturgeon School Division the sum of \$25,000 on the third installment of their school requisition which becomes due September 15, 1953. Carried.

Council adjourned for lunch at 12:30 o'clock p.m.

Council re-assembled at 1:30 o'clock p.m.

District Road No. 41-9-15—Calahoo to Meridian.

Douglas R. Ellis P. Eng. from the Voice Construction Co. Ltd. now called on the Council and advised that this construction was now completed. The figures, as to the cost of this road build to District Highway standards, were given as follows:

Machine rental, \$10,690.37; Culvert cost, \$1,893.94; Survey fees, \$1,095.20; Supplies to foreman, \$21.10; Total, \$13,703.61.

Moved by Councillor Walker that, as the yardage on this stretch of road required to be moved was 48,180 yards, the cost being 25 cents a yard, we approve this project and the quality of the road. Carried.

Road Petition—Petition signed by 12 ratepayers regarding the condition of the road 2 miles north of the Hamlet of Muby was now read to the Council. The Council were advised by Councillor Perrott that machinery was, at present, repairing the road in this district. Ordered filed.

General Hospital—Letter was read in regards to Laurent, Fortier as received from the above was now read to the Council. This refund should have been made directly to Laurent, Fortier and not to the municipality.

Moved by Councillor Racine that we make this refund directly to Mr. Fortier in the sum of \$55. Carried.

Proposed Subdivision—River Lot 23A.

St. Albert Settlement.

Mrs. Rootes and Vipond now called on the Council in regards to the above proposed subdivision. Copies of plans as received from the Edmonton District Planning Commission were now given into by the Council. This 48.5 acres is to be divided in lots of approximately 12 acres or more. The Council heard the report of the field supervisor on these small acreages and he advised the Council that the experience to date on these small hold-

ings was not satisfactory and quoted the holdings along the St. Albert Trail as examples. These were not being farmed and were creating a weed problem in that vicinity. Most of the holders are employed in the city and apparently have no time to look after these acreages. In most cases they have not the equipment to farm the same and they are neglected. In some places the land was not used and is becoming infested with noxious weeds, being a menace to the neighboring farm lands.

Moved by Reeve Schafers that we have no objection to this land being subdivided into small sections; otherwise, this land should be needed to grant prior to allowing any subdivision or sale of the same, due to the difficulties as stated above regarding weed control. Carried.

Lower River Road—Messrs. C. Victor, W. Frank, J. L'Hirondelle and M. Verstraete now called on the Council regarding the graveling of this road. They also spoke on the conditions of the school bus route in their general area. They were advised by the Council that the offer as made at the last meeting had stood, as the Council had not appropriated money for this project for the year 1953 and reason of a request for a private grant. The gravel which is now stock piled is being earmarked for this project as it is the closest available.

Morinville Centre—A. Trotter now called on the Council and requested that the coupling on Roy Street at its intersection with District Road No. 41-9-17 be opened. This would require a culvert and the necessary fill. He was advised by Reeve Schafers that this would require the Council's attention in the near future.

Hand Hole Between—Sections 13 & 18-31-25 & 26-1.

J. M. Mahe now called on the Council and advised that due to this hole it was impossible to pass the same with a load of truck and he wished to haul grain to the elevators at Legal. He was advised that this would be attended to by A. H. Krausnick as soon as word could be sent to him, as this apparently only required the hauling of approximately 3 truck loads of dirt and packing and spreading of same with patrol.

District Road No. 41-9-15—Calahoo to 31st Meridian.

Moved by Councillor Walker that we authorize the secretary to make the necessary arrangements with the above firm of surveyors, Stewart, Little, Stewart & Weir for the surveying of the above road in order that the plan may be registered. Carried.

Clyde Rural Electrification—Ree. Farm Electric Services Ltd.

Whereas a petition has been received from 20 resident ratepayers of this municipality in Townships 38 and 39, Range 25, 26 and 27, West of the 4th Meridian, requesting the Council to approve of the construction of power transmission lines for the Clyde Rural Electrification Association Limited along the highways, streets, lanes and avenues of the said townships and ranges and further to consent to a permissive order being granted by the Board of Public Utility Commissioners of the Province of Alberta in order that the petitioners may be served with electric energy.

Now, therefore, on motion of Councillor Racine, he resolved that this Council approves of the construction of power transmission lines along the highways, streets, lanes and avenues in the said town-

ships and ranges of this municipality, and the installation of such works as may be necessary to serve the petitioners with electric energy provided that such transmission lines, poles and works are constructed and operated in compliance with all requirements and regulations issued under the authority of the Department of Public Works and provided further that there be no liability whatsoever on the part of the municipality for the association's practice and methods in construction, maintaining and operating the said works. Carried.

Further on motion of Councillor N. Perrott, he resolved that this Council do hereby consent to a permissive order being granted by the Board of Public Utility Commissioners of the Province of Alberta, to the said Stewart, Little, Stewart & Weir Surveyors.

Plan of survey as drawn up by the above surveyors was now presented to the Council for their approval. The exchange in this case for a 16-foot road allowance.

Moved by Reeve Schafers that we advise the above that this plan is in order and that the final plan may now be made up in accordance with the print as received. Carried.

Nuisance Grounds—Letter in regards to nuisance grounds required at St. Albert Trail and the Hamlet of Villeneuve district, north of the Hamlet, before the Council for their consideration.

Moved by Councillor Perrott that Reeve Schafers be appointed to look into a possible location for the St. Albert Trail area and Council for Walker be appointed to do likewise in the Villeneuve district. Carried.

Weed Inspectors—The Council were advised that the following have been appointed weed inspectors for 1953:

Walter Elliott, R.R. 2, Morinville; Alva Charles Green, Banff; John A. L. Staples, Morinville; Alta; Hugh H. Miligan, R.R. 1, Legal; Alta; Sam Laitak, Villeneuve, Alta.

Moved by Councillor Perrott that we approve of the said appointments and that we advise the Department of Agriculture accordingly. Carried.

Job Application—Application as cat-operator and cook as received from Reg. Beland and wife was now read to the Council.

Moved by Councillor Racine that this be ordered filed as there are not any vacancies on the road crew at present. Carried.

Public Welfare—Application for coal as received from Mrs. G. Henry was made to the Council. Welfare officer is to investigate and issue, if found necessary, also to check at Morinville Collieries Ltd. re coal supplied and unpaid without orders from the Council.

Bridge Conversion to Government—Moved by Councillor Perrott that we request the Department of Highways to have the following bridges designated as government bridges:

S. W. 1/4, 29-56-26-W4 2-10 ft. span; S. W. 1/4, 27-56-27-W4 16-ft. span. Carried.

Division River Qui Barre—M.E. 8-57-37-W1—File T2802.

Letter dated June 23, 1953 as received from the Department of Highways in regards to the above mentioned was now read to the Council, regarding liability claim of one letter, property of M. A. Benson. The matter was referred to the municipal solicitor and ordered tabled until the solicitor's reply is received.

Replacing Bridge With Culvert—M. N. W. 4, 29-53-26-W4.

Council were advised that the Department of Highways had now delivered the culvert at this location but the same was not as yet

installed. Letter from the department regarding the installation of culverts of this type was also read to the Council and ordered filed.

Board of Public Utility Commissioners—Re: Annexation N.W. 1/4, 14-53-22-W4 to the Town of Jasper Place.

Moved by Reeve Schafers that we advise the board that this Council is objecting to the said annexation; that a copy of a letter as received from the Department of Municipal Affairs dated June 11, 1953 also be sent to the board regarding the changing of municipal boundaries and the department's attitude to the same. That they be advised that the Council at the present time is considering the development of this area as an industrial area and are considering the building of roads and streets during this season. There has been no application for permission to establish a lumber yard and lumber mill at this location and more industries have inquired as to this location and general area. Carried.

Canfield Addition—Plan 2337 B.H.

Plan N.W. 1/4, 23-53-23-W4.

The following lots in the above subdivision, having recently been sold to Herbert A. and Mary J. Racine for the sum of \$1380, were now ordered transferred as all titles have now been obtained by the municipality:

Lots 7, 8, 9, 10 and 11, all in block 1; Lots 2, 3, 4, 5, 6, 7, 8, 9, 10 and 11, all in block 2; Lots 1, 2, 3, 4 and 5, all in block 3; lot 6 in block 6.

Moved by Councillor Racine that the \$1200 in tax sale trust account be applied to all tax arrears on the above property and taken from the trust account. Carried.

By-Law No. 135—A by-law concerning the sale of the above mentioned lots in the Township of Canfield Addition, Plan 2337 B.H. was now given first and second reading.

Moved by Councillor Walker that this by-law be given third and final reading and the same be passed forthwith. Carried.

Prairie Farm Assistance Act—Correspondence in regards to the above mentioned was now read to the Council and report as required under the Act, Sept. 15, 1953 was also given info.

Moved by Councillor Perrott that the Council, prior to the date of report required, file with the secretary an estimated value of each township in electoral division in order that the report can be filed at the proper time with the authorities. Carried.

Service Road Supervision—S.E. 1/4, 29-54-27-W4.

Moved by Councillor Racine that the reeve and secretary-treasurer execute the agreements in regards to the supervision of the above mentioned land in accordance with the "Agricultural Service Board Act." Carried.

Gravel Contract—Legal Road—J. H. Ferras, Contractor.

Moved by Councillor Racine that we approve of this contract and that the same be executed forthwith—copy to be mailed to the Workmen's Compensation Board. Carried.

Water Resource Branch—Drainage Problem At Section 16-56-26-W4.

Report as received from the above was now read to the Council in regards to the problem beginning at the above location. The trouble appears due to the natural water course and ditches being blocked.

Moved by Councillor Racine that we appoint Councillor Perrott to look into this matter along with the field supervisor and that he advise the Council at their next meeting as to the probable costs of clearing this water course and ditch and as to what equipment would be required for doing the work in question. Carried.

Drainage Problem At Viny—Report as received from the Water Resources Branch in regards to the drainage problem.

north of the Hamlet of Viny was now read to the Council. The matter was brought up by a request of the Council, Section Division No. 24 as the northern portion of the property is inundated by a slough and has caused trouble in the spring and floods the school grounds at the said location.

Moved by Councillor Walker that a copy of this report, along with the sketches, be sent to the Sturgeon School Division No. 24 for the information of the board. Carried.

Private Road—Sec. 25-53-27-W4.

E. Letourneau now called on the Council in regards to the cost of repairing the private road that they own on the above mentioned property. He was advised by the Council that they would consider the matter. The Municipal District Board was discussed by the Council.

Moved by Councillor Perrott that the Council be advised to look into the possibility of opening the road allowance at this location as there does not appear to be any provisions under the Act for the opening of private roads or spending of Public funds thereon. Carried.

Auto Bridge Accident—December 8, 1952.

Letter as received from the firm of Day, Pratt and Co., General Insurance Adjusters, advised to the Charles Perrott accident on the above date was now read to the Council. This accident happened on the bridge S.E. 1/4, 3-53-27-W4 and was reported to our Insurance Agent. The matter was ordered filed as this case was given to the Municipal Solicitor and Insurance Agent for his attention on behalf of the Municipality.

Bridge Authorization—The following authorization has been received from the Department of Highways, Bridge Branch: Bridge N.W. 1/4, 2-59-25-W4, this bridge has now been constructed. The following bridge has been referred to our Insurance Agent for inspection as it was dated June 15, 1953: W.N.W. 1/4, 27-W4. Ordered filed.

Department of Highways—Article of Agreement.

Dated May 16th, 1953.

Letter dated June 19, 1953 as to the Council's request, has been granted and has now been changed to read as follows: District road No. 41-9-15 be altered to: From the N.E. 1/4, 2-59-25-W4 going north 9 miles, thence west 1 1/4 miles, and thence north 3 miles, making a total of 13 1/4 miles to be graded, \$28,500.00. Ordered filed.

Roads—Indian Reservations—S.E. 1/4, 29-54-27-W4.

Alexander Indian Reserve No. 124, Gravelled 2 miles from the S.W. corner of the S.E. 1/4, 2-59-25-W4 on district road No. 41-9-15, \$800.00.

St. Michael Indian Reserve No. 132, Gravelled 2 miles from the S.W. corner of the S.E. 1/4, 2-59-25-W4 going west and northerly to the S.E. corner of the N.E. 1/4 of Section 33-54-27-W4—Lac Ste. Anne Trail, \$3,000.00.

The Department of Highways advises it will be quite in order for the Council to go ahead with the above work.

Leaving of Surveied Road Allowance Between Sec. 33 and 34-53-27-W4.

J. Verbeek requested the Council for permission to lease the portion of the road allowance at the above mentioned, from the correction of the Sturgeon River and north of the Michael Calahoo Indian Reservation No. 132.

Moved by Councillor Walker that the Council be advised to the leasing of the above mentioned road allowance as to that part thereof which is not opened and lying north of the Sturgeon River, providing that all regulations in this regards are adhered to as required. Carried.

Council Advances . . .

(Continued from Page 10)
quired by the Minister of Public Highways. Carried.

Nr. 36-38-27-W4th
Claim of damages in regards to road building in 1952 north of the above location, being grain destroyed, also claim for 15 hours of labor for removing fence was now read to the Council.

Moved by Reeve Schafers that Council Racine interview this in this regards and arrange for an amiable settlement in this regards. Carried.

General Assessment
Letter dated June 12, 1953 as received from the Director of Assessments regarding a general assessment was now read to the Council and the matter was fully discussed by the Council.

Moved by Councillor Perrott that we apply for an order for a General Assessment to begin in 1953 and to be completed in 1954 for use beginning in the year 1955. Carried.

Northern Utilities Ltd.
Road Damage—Twp. 53-54.

Rge. 23-W4
Claim as made by the Municipality in regards to the damaging of the roadway from the City Limits, 4 miles north, was now read to the Council. Reeve Schafers advised the Council that he was to meet an official of the company mentioned on July 10, 1953 at 10:00 a.m. in order to go over this road and to arrive at a settlement in this regards. The matter was ordered tabled till the next meeting of the Council.

Co-Terminis Boundary Commission
Letter dated July 4, 1953 received from the above mentioned was now read and discussed by the Council.

Moved by Councillor Walker that we co-operate with the Commission and give all the information that they may require when our case is being considered, as well as all assistance required. Carried.

Edmonton District Planning Commission
Minutes of the meeting held on June 2, 1953 were now read to the Council. These were approved and ordered filed. Letter dated July 7, 1953 requesting the Council to send representatives to a meeting to be held in St. Albert on July 13, 1953 at 8:00 o'clock p.m. in order

to discuss the re-zoning of land adjacent to the highway between the City Limits and the Town of St. Albert, was now read to the Council.

Moved by Councillor Perrott that we appoint Reeve Schafers and Councillor Walker as Municipal representatives to attend the meeting to be held in St. Albert, as requested by the Commission. Carried.

Correspondence
The following letters were now dealt with by the Council as received at the Office:

Roadway 2 Miles North of Busby
Letter dated June 25, 1953 as received from H. A. Bruce of Busby, Alberta in regards to the above mentioned was now read to Council. Councillor Perrott advised the Council that the equipment was now on this road and that the same was being repaved as requested.

Nadon Paving Ltd.
Letter dated June 23, 1953 regarding asphalt sidewalks, with price quoted at \$1.40 a lineal foot, was read to Council and ordered filed.

Brant Welding Co.
Letter dated June 19, 1953, regarding the welding of UD 14 engine and was also read to the Council. Councillor Perrott is to return this to the said Company as the same was found to be faulty and is required for their inspection.

Municipal District of Sturgeon
Letter dated June 29, 1953 regarding Elevator Grader was read to the Council and ordered filed. Elevator is not available.

Next Meeting
Moved by Councillor Racine that we hold our next meeting on Thursday, August 14, 1953 beginning at 10:00 o'clock a.m. Carried.

Adjournment
Moved by Councillor Walkers that we adjourn this meeting at 7:50 o'clock p.m. Carried.

New Lions Club To Organize At Clyde

August 13 is the date tentatively set as Charter Night of the new Lions' Club being organized at Clyde. The Morrisville Club is sponsoring the new club and Lions from various other towns are expected to attend.

Import economy is held as Brant's need despite F.S. loan

ST. ALBERT NEWS BRIEFS

The St. Albert-Namoo 4-H Club float in the Edmonton parade won second prize. Congratulations.

Congratulations to the St. Albert Community League on winning a first prize on their float entered in the Edmonton parade.

Mr. and Mrs. Jack Campbell from Sexsmith, visited Mr. and Mrs. Bert Sumner and his mother, Mrs. Campbell. They then motored to Banff for a summer.

Freddie Richardson is visiting his grandmother and uncles on a farm at Vermilion for the month of July. Bobby will vacation there in August.

Connie and Sandra Maser are holidaying with relatives at Ledac. "Grandpa" Siebert celebrated his 95th birthday on July 10 at the home of his daughter, Mrs. E. L. Kline. The festivities took the form of a supper. Those in attendance were a daughter, Mrs. Tom Atkinson and her husband, Mr. Fred Atkinson and his wife, Mr. and Mrs. Bruce Bower and Mr. Douglas, all of Edmonton. Many happy returns of the day, Mr. Siebert.

Mrs. Ted Hale has taken the position of bookkeeper (afternoon only) at Ajax Drilling, near the Ryan farm.

Congratulations to Edmo Savote of Villeneuve for taking third place in a safety driving test, conducted by the Provincial Government at Fort Saskatchewan recently. Ed's picture and the write-up appeared in "Western Star Borders".

Congratulations to Anne and Cameron Ross for obtaining first-class honours in piano theory one. Also to Irene Lafranchise for passing grade five music with honours.

Harry Peterson, son of Mr. and Mrs. Jack Peterson, won a prize in the day money in the tractor rodeo held during Exhibition week. Harry then competed in the finals on Friday, Mr. Octave Hunsford of Morrisville won the provincial championship in this competition.

Among our local farmers who showed cattle at the Edmonton Exhibition were Robert Gibb with his, Alberta Holstein herd, and Harry Peterson with his Holsteins. Also Charles Dixon showed his Jersey herd from the Kennebec, Jersey Farm.

The following persons appeared on St. Albert's prize-winning float at the Edmonton Exhibition parade entered by the Community League: Father Lacombe was impersonated by Mr. Henry Terrault; Indian braves, H. Vague, H. Gervais and Ralph, Dittmer; squaws, Mrs. Michalot and Mrs. Vague; pioneers, Lorne Akins and Marie Walnewicz and Gerrard Brodeau; pioneers, Simone Perron and Gordon Conn (grand-nephew of Father Lacombe).

In regard to the St. Albert water and sewage project, Berger Bros. Ltd. of Vancouver have obtained the contract for the laying of the water and sewer lines. Mr. Louis Dumitich has the contract for the earth moving.

Mr. Fred Bellerose, recently bought a lot west of the town office and will move a house on to it.

The Gazette wishes to extend sympathy to Mrs. Wm. Herron, whose father, Mr. Gowda, recently passed away.

Mrs. Harry O'Toole and son Brian are presently visiting her parents in Saskatchewan.

The prizes won by the Robert Gibb Alberta Holstein herd at the Edmonton Exhibition were two firsts, one second, two thirds, one fourth, one fifth and two sixths in the single classes. In the group the rombie were first senior pair of size, third graded herd and fifth junior herd.

Mr. and Mrs. R. Bolander, Mr. and Mrs. S. Fisher, Miss Lorraine Bolander and Miss Frances Fisher recently returned from a motor trip to Banff.

Mr. and Mrs. Robert Gibb at-

tended the 15th wedding anniversary of her brother, Mr. Ed Borle, and Mrs. Borle, of Edmonton. Mr. Borle presented his wife, the former Miss Dora Monaghan, with a set of rings.

A birthday party was held for Betty McLeod, the only son of Mr. and Mrs. Angus McLeod, on July 20, on the occasion of his 19th birthday.

Congratulations to Lynne Sumner for passing her grade eight music exam with first-class honours.

Mr. and Mrs. Albert Leschere and Mr. and Mrs. Wm. Soetaert and families vacationed at Banff.

Mr. and Mrs. Colin Akerman and Mr. and Mrs. Bud Crozier enjoyed a motor trip to California.

Congratulations to Mr. and Mrs. Albert Halwa on the birth of a son their third child.

Miss Nan Maloney is vacationing in Vancouver and also visiting her

sister, Eileen (Mrs. Vandal) at Hope, B.C.

Mrs. Sylvia Bonayville has as her guests her mother and sister from Saskatchewan.

Mr. and Mrs. Guy Raboud and family have left to visit his parents near Ft. McMurray.

Mr. and Mrs. Chas. Horricks and Mr. and Mrs. Jack Fair recently attended the Farmers' Union Inter-Provincial Conference in Calgary. This is an annual event and the next one will be held in Winnipeg.

At a special meeting on Friday, July 17, the Sisters at the Youville Home in St. Albert received their Civil Defence badges upon completion of the basic general training and First Aid. Mr. Tyler and J. Henderson of CDHQ were present to make the award.

Legal R.E.A. To Hold Meet

Easterner Finds Peace On Western Ranch

GRAY CAMPBELL had an exciting life during seven years with the Mounties and six in the RCAF overseas, but he found peace and contentment on a remote ranch in the Alberta foothills. Mr. Campbell lived of city life in eastern Canada, took up the rugged life of a rancher, and in his spare time has written a book, "We Found Peace."

District 5 F.U.A. Board Delays Leadership Course 'Til After Harvest

EDMONTON.—At the meeting of the District 5 Board of the Farmers' Union of Alberta held at the Assembly Room, 10128 98th St., Edmonton, on Saturday, June 18, the members of the board postponed until after harvest the leadership course which was to have been held during the last week in July at the request of the District 5 convention.

The board came to this decision after hearing a report by Mrs. Olive Harrold, F.U.A. second vice-president, in which she stated no extension department officials would be available at that time. It was suggested that in the meantime, some of the district should contact Mrs. Harrold at Ritz Edmonton if they desire any particular lectures to be inserted in the program. It is well to note that if public speaking is to be included in the course that a two-day school would have to be planned which would incur the problem of accommodation the board agreed.

Members of the board present were: F.U.A. Director, Charles Sealey; of Churchill, F.U.A. Director, Mrs. C. D. Fahr of Stony Plain; Jack Fuhr, Morinville, president of the board; Mrs. Henry Schlecker of Stony Plain, vice-president; and L. H. Webber of Magnolia, sub-district director of sub-district 1.

The meeting was called to order at 7:15 p.m. by the president. At the request of Mrs. Hittinger, who wished to be relieved of his duties as secretary-treasurer, Mrs. Schlecker moved that Mrs. W. Fuhr be secretary-treasurer of District 5. Seconded by Webber and carried.

Mr. Sealey moved that Mrs. C. D. Fahr be delegated to contact Mrs. Mary Fuhr and advise O. Hittinger of her decision. Seconded by Mrs. Schlecker, carried.

Moved by Mrs. C. D. Fahr that minutes of the board meeting held May 7 be adopted. Seconded by Sealey, carried.

Moved by Mr. Sealey that copies of board minutes be sent to the director and president. Seconded by Mr. Webber, carried.

Moved by Mrs. Schlecker that the minutes of the District 5 convention held at Stony Plain June 24 be adopted. Seconded by Mrs. Sealey, carried.

The resolutions passed at the District 5 convention were now taken up and decided upon respec-

tive channels to funnel them through.

Moved by Sealey that Mrs. Harrold be instructed to get prices on various types of plaques which might be suitable for the local winning of the "Action Contest" seconded by Mrs. Fuhr, carried.

LEADERSHIP COURSE

Mrs. Harrold reported that no Extension department officials are available in July.

Resolved that leadership course be held after harvest when suitable men are available. Moved by Webber and Sealey, carried.

Suggestions from locals would be welcome as to types of lectures preferred. It was intimated.

Moved by Mrs. Schlecker that board minutes be printed in the Stony Plain Reporter, Lac Ste. Anne Chronicle, Edmonton Sun, Pembina Herald, St. Albert Gazette and the Morinville Journal. Seconded by Sealey, carried.

Moved by Sealey that secretary-treasurer be considered the press reporter. Seconded by L. H. Webber, carried.

Moved by L. H. Webber that resolution five be given to local office suggesting clarification be asked from Wintterburn local as to proceed with it thereafter. Seconded by Sealey, carried.

Organizational work came under the usual discussion and reports were received by the meeting.

BILLS AND ACCOUNTS

A statement of expenses of Mr. Sealey of \$41.48 in rallies in sub-districts 2, 4 and 5 was presented. Moved by Mrs. C. D. Fahr that this amount be paid. Seconded by Sealey, carried.

Resolved that signing authorities be given secretary-treasurer and president. Moved by Sealey and Webber, carried.

Resolved that the director, Charles Sealey, be given authority to certify all accounts be paid. Moved by Webber and Mrs. Schlecker, carried.

Moved by Mrs. Schlecker that the board disburse with according

Paddle Valley Farmer ...

(Continued From Page 1)

Co-operative Association, Mr. Lisa is Zone Commander of the Canadian Legion, Zone 3, Dist. 2, M.E.S.T. Mrs. Lisa was the first President of the United Church Ladies' Aid club leader in young people's work an Officer in the Canadian Legion Auxiliary, and Garden Club leader.

Above all else, the character and high ideals of this outstanding family are revealed in the type of family life that has produced the eight fine young people now contributing so much to the life of the community and nation. It has meant much sacrifice to give to each of these a college education in their chosen fields. The youngest, John Jr., now is finishing his 12th grade in high school. Valeria, a graduate of Vermilion School of Agriculture, will enter the University of Alberta this fall. Teddy is partner with his father on the farm. Stanley, a Mechanical Engineer, graduate of the University of Saskatchewan, is now with the Hudson Bay Mining and Smelting Co. of Elm Film, Man. Helen is married and also a graduate of the University of Alberta, living now in California where she still teaches school. Edward, with the RCAF in Radar in England, Korea is in R.C. in real estate. David in a boating accident, lost his life in saving a companion. Surely there is great reward and satisfaction when "their children shall rise up and call them blessed" as here seen.

Mr. Lisa is known far and wide in this district as a man of integrity, Christian character and high ability. He believes that the C.C.F.'s program is founded on the Christian principles of freedom and justice, service and faith in the ultimate victory of the right over the forces of reaction and inequality. We will, he says, soon have a better world if we all try to lift our fellows, wherever they are, to the plane of co-operation and unselfish living. This is Mr. Lisa's philosophy in life and there can hardly be much doubt but that the great majority of Albertans agree with him. His supporters feel Mr. Lisa will make a substantial contribution to the welfare of Canadians in his new field as representative of Jasper-Edson constituency at Ottawa.

Civil Service

On 5-Day Week

EDMONTON (UPI).—About 4,000 Alberta civil servants will start working a five-day week Monday, under a new work schedule approved recently by the provincial cabinet.

Economic Affairs Minister A. J. Hooke said civil servants will be off the job Saturdays but that employees of Land Titles offices and court houses, whose hours are set by statute, will continue to work five and one-half days.

The new hours for government employees benefiting from the scheme will be from 8:30 to 11:45 a.m. and from 1 to 3 p.m. Former working schedule was from 9:30 to 11:30 a.m. and 1 to 4:30 p.m.

Working hours in provincial Treasury Branches will be the same as those in other banks.

of motions at district board and executive meetings. Seconded by Sealey, carried.

Motion by Mr. Sealey that all accounts be paid. Carried.

Moved by Mrs. C. D. Fahr that this meeting adjourn. Time 8:20 p.m. Carried.

Praise For The Lodge

The Ottawa Citizen says, "When Jasper Lodge burned down last summer, there was widespread sadness in Canada at the destruction of a building that had become almost a national landmark. The tears were premature. The Toronto Star reports, with some awe, that after nine months' labor by 400 men working double shift, a new Lodge has been opened this week. The Canadian National Railway handled the logistics problem in a manner befitting the organizers of the Normandy invasion. Factories redesigned their output, and 1,000 tons of stone, steel and cement were hauled to the building site. The completed job is a credit to the Railway's administrative staff."

"The public's sentimental attachment to the old Lodge should shift to the new structure without

difficulty. For all its beauty, the old building was after all as much a symbol as a material thing. It stood for the big sky and bracing air, for dim trails, and for the untamable. The new Lodge represents these same things. For most Canadians, in fact, it can hardly be anything but a symbol. Its cabins accommodate 650, of whom 30 per cent are usually American. But Canadians can view Jasper Lodge as residents of Long Island think of a Broadway show. There is always the satisfaction of knowing that it is there."

RUSSIAN ROULETTE FATAL

OKLAHOMA CITY, Okla., (Joni) Baker, 17-year-old youth, showing his 15-year-old bride, had three days how to play Russian roulette, spun the cylinder of a .22 revolver, put it to his temple, and fired. A bullet entered his brain, killing him instantly.

Wheat Pool Scholarships

The Alberta Wheat Pool announces the inauguration of scholarships at the University of Alberta to the value of \$500 a year for two rural students from Alberta high schools. One to a student whose home is in the southern half of the province and one in the northern half of the province. These students have the right to select their own courses.

The scholarships are restricted to students whose homes are on farms and the awards will be made on the basis of a satisfactory record in the Grade 12 examinations for complete senior matriculation and of the need for financial assistance. In applying for one of these scholarships the Alberta Wheat Pool's local field service personnel should be used for reference.

For the purpose of this award the southern half of the province is defined as that part of Alberta inclusive of and south of township 44. Application forms are available from the Registrar, University of Alberta. The final date for receiving such forms at the University is August 10.
